

St. Demetrios Sunday School

2016 - 2017

REGISTRATION

Dear Parents,

Welcome to the St. Demetrios Greek Orthodox Church Sunday School. September 1st marked the beginning of a new ecclesiastical year, one filled with spiritual learning and developing. We will begin our Sunday School on Sunday, September 11 with the Youth Sermon after the Gospel and classes after Holy Communion. The Opening Service of Agiasmos with Father Ignatios will take place on Sunday, September 11.

The program is designed for the children to learn about our faith, church and traditions at an age appropriate level. The teachers are meeting to discuss the classes to refine and evolve the curriculum, allowing your child to journey through Orthodoxy in an enriching blessed way.

As part of St. Demetrios' Overall Youth Ministry, we are continuing Acolytes (Altar servers). The Acolytes are boys who serve in the altar and help Father Ignatios during the liturgy. To better organize these programs, please let us know if your child is interested in participating.

Below is a registration form that will help us organize our classes, lessons and supplies for the year. Lastly, we are always looking for volunteers. Please contact Father Ignatios Achlioptas (860.877.4401) if you would like to be a teacher, substitute teacher, or parent helper.

With God's love,

Violet Sakoulas
